CURBSIDE GARBAGE & RECYCLABLE COLLECTION: Enclosed is a copy of the 2026 Curbside Garbage & Recyclable Calendar. We are still not recycling glass because there is no market for it. Glass should be placed in the regular garbage.

WINTER PARKING REGULATIONS: The Village Highway Department has been busy keeping the streets and sidewalks plowed. Just a friendly reminder: The Village of Celoron does not allow roadside parking between the hours of 2:00 a.m. to 7:00 a.m. from November 1st to April 1st. The Village of Celoron takes its responsibility of snowplowing seriously and asks that you cooperate with the Village's attempt to serve the entire Village. Therefore, all persons with, or access to, driveways and/or garages are expected to park off the roadways in order to facilitate the required task of snowplowing Celoron's streets. The Village will adhere to the following Winter Parking procedure: A note on the car windshield will be your first and only warning of a violation of the Winter Parking Regulations. A second violation during this winter season could cause, at your expense, your vehicle or anything else parked illegally to be towed. If you have any questions regarding this policy, contact Village Hall at 487-4175.

CODE ENFORCEMENT: Code Enforcement Officer Alan Gustafson's cell phone number is 716-499-7190, Email address is codes@celoronny.org. Reminder: A Building Permit is required for fences, pools, roofs, storage sheds etc. If you have any questions, please contact our Code Enforcement Officer. It is better to call and ask about a permit than to have to pay the penalty for not obtaining a permit.
